Vancouver, BC V6T 2B5
Director's Office: 604.822.7747
Fax: 604.822.7466
Nursing Website (http://nursing.ubc.ca)

The School of Nursing offers baccalaureate, master's, and doctoral programs. Students with advanced standing can complete the baccalaureate program leading to a Bachelor of Science in Nursing in five consecutive terms of 300- and 400-level upper-division courses. Baccalaureate graduates are eligible to apply for a program leading to a Master of Science in Nursing or a Master of Nursing (Nurse Practitioner). Master's graduates are eligible to apply for a program leading to the degree of Doctor of Philosophy in Nursing. For details of these graduate programs, see Nursing in the Graduate Studies section. The School of Nursing also offers Undergraduate Elective courses. These courses are not eligible for credit toward the UBC Bachelor of Science in Nursing.

The School of Nursing and the School of Population and Public Health collaborate to offer the dual degrees program option Master of Public Health/ Master of Science in Nursing. For details on the dual degrees program option, see Population and Public Health in the Faculty of Graduate Studies section.

The School of Nursing offers a one-year, course-based professional program in the Master of Health Leadership and Policy. There are two programs: Clinical Education and Seniors Care. For details on these professional programs, see Faculty of Applied Science (http://www.calendar.ubc.ca/vancouver/index.cfm?tree=12,195,0,0).

The mission of the School, as a leading provincial, national, and international centre for nursing education, research, and practice scholarship, is to prepare outstanding nurses who are committed to excellence and innovation. Through its extensive programs of research, the School of Nursing also strives to develop and transmit knowledge regarding nursing practice and the human experience of health, illness, and healing.

Bachelor of Science in Nursing

Bachelor of Science in Nursing > Introduction

The School of Nursing offers baccalaureate degree in Nursing Science. Students with advanced standing can complete the baccalaureate program leading to a Bachelor of Science in Nursing in five consecutive terms of 300- and 400-level upper-division courses.

Last updated: June 14, 2022

Bachelor of Science in Nursing > Academic Advising
Admissions advising is recommended before entering the program. To learn about the BSN Program, and how to access the resources and supports for your applications, please visit the BSN Admissions Website (http://nursing.ubc.ca/undergraduate-learning/admissions).

An Academic Advisor is available for students currently enrolled in the BSN Program. To learn more about UBC and BSN Program Supports, and how to access Academic Advising, or request an Academic Concession, please visit “Support for BSN Students” (http://nursing.ubc.ca/undergraduate-learning/support-bsn-students) on the School of Nursing Website (http://nursing.ubc.ca). The School of Nursing reserves the right to request advising during the program whole students’ progress to completion continues.

For Current Students - To request an appointment with the Academic Advisor, please email student.advisor@nursing.ubc.ca

For applicants to the BSN Program – please visit our BSN Admissions Website (http://nursing.ubc.ca/undergraduate-learning/admissions) - Resources (http://nursing.ubc.ca/undergraduate-learning/admissions/resources) or contact student.advisor@nursing.ubc.ca

You can also visit us in person on the Student Services Office at T248, 2211 Wesbrook Mall, Vancouver BC (UBC Hospital, Koerner Pavilion 3rd Floor).

**Bachelor of Science in Nursing > Admission Criteria**

All inquiries relating to the Bachelor of Science in Nursing (B.S.N.) Program should be directed to the School. Students considering application should refer to Nursing (http://nursing.ubc.ca/undergraduate-program/admissions) for more details.

Admission to the program requires advanced standing by either a bachelor's degree or significant progress (48 non-nursing, university transferable credits) toward a degree in another field of study.

All prospective students are required to demonstrate a minimum level of English language proficiency before admission. Please refer to the English Language Admission Standard (Calendar page: http://www.calendar.ubc.ca/vancouver/index.cfm?tree=2,19,911,0#18812).

Applicants are required to have a minimum 70% average, or grade point average of 2.8 (calculated on a 4-point scale) based upon the most recent 30 non-nursing, university transferable credits completed at the undergraduate level.

UBC will consider granting transfer credit for all appropriate post-secondary courses completed. The following post-secondary courses are required for admission:

- First-year or higher English (3 credits): English 112 or equivalent is recommended, or a first year or higher level university transferable English composition course. Exceptionally, this English prerequisite may be waived for students who have completed a bachelor's degree from an accredited University (where English was the main language of instruction during that degree).
- Human anatomy and physiology (minimum 6 credits): BIOL 153 is recommended, or an equivalent human anatomy and physiology course/courses covering all body systems. Courses accepted as equivalent to this are listed on the School’s website. In addition, other human anatomy and physiology courses may be acceptable to the School subject to an internal review. Details of this review process and an application package can be found at Prior Learning Assessment & Recognition (PLAR) (http://nursing.ubc.ca/undergraduate-program/admissions).

Note: With the exception of UBC NURS 180, 280 and 290, nursing courses cannot be used in the calculation of an admission average (calculated on the most recent 30 non-nursing, university transferable credits completed at the undergraduate level). UBC NURS 180, 280 and 290 may be counted towards completion of the required 48 non-nursing, university transferable credits.
For students to obtain the required competencies for entry-level registered nursing practice certain skills and abilities are required. It is important that applicants are aware of these prior to applying for admission to the nursing program. These requirements (Requisite Skills and Abilities) are available at British Columbia College of Nursing Professionals (BCCNP) (http://www.bccnp.ca/Pages/Default.aspx).

Post-Acceptance Requirements

UBC School of Nursing students are required to comply with current regulations of the Provincial Health Authorities related to vaccine-preventable communicable diseases. Proof of immunization status must be made available upon request. Clinical sites may request this documentation from students at any time, and in preparation for or during clinical activities. Failure to provide documentation of immunization status may prevent a student from attending clinical practice, and thus may jeopardize a student’s ability to complete all program requirements.

All newly admitted students to the Bachelor of Science in Nursing program will be required to complete a Criminal Record Check (CRC), Cardio Pulmonary Resuscitation - Health Care Provider (CPR-HCP) certification and N95 mask fitting test. Students must comply with the guidelines stipulated on the BSN Admissions website (http://nursing.ubc.ca/undergraduate-program/admissions).

If you have any questions about any of the post-acceptance requirements, please contact Nursing (information@nursing.ubc.ca).

Application and Document Submission

1. Initial application must be made online to the University (http://you.ubc.ca/admissions/how-to-apply/) by December 1.

2. The School also requires a supplemental application. Applicants must submit an online supplemental application which includes:
   - the supplemental application form which must be submitted by January 31
   - the names and contact information of two individuals who can provide reference information (it is recommended that one referee be a teacher, instructor, employer, or supervisor)
   - a current résumé (structured form provided in the application)
   - a brief written personal statement about the applicant's reasons for requesting admission to the School and understanding of the profession of nursing (format provided in the application)

1 The supplemental forms are available and can be filled in and submitted online at the Student Service Centre (http://ssc.adm.ubc.ca/sscportal/servlets/SRVVSSCFramework).

Applications for any human anatomy/physiology course equivalence (if required) may be received at any time but must be received by January 31 for entry the following September.

Late applications will not be considered

3. Official transcripts and other required documents must be sent to the following address by January 31:

Enrolment Services
The University of British Columbia
2016-1874 East Mall
Vancouver, BC V6T 1Z1
Canada
Tel: 604.822.9836 or 1.877.272.1422 (toll free in the US and Canada)
4. Computer-based Assessment for Sampling Personal Characteristics (CASPer)

All applicants must complete the Computer-based Assessment for Sampling Personal Characteristics (CASPer) (Canadian Nursing) as part of the admission process and request results be sent to the UBC School of Nursing. CASPer is completed online and assesses for non-cognitive skills and interpersonal characteristics that are important for successful students and graduates of our program, and will complement the other tools used for applicant screening. CASPer is usually offered in January and/or February. Information and online registration are available on the CASPer website. Applicants who do not complete the CASPer assessment will not be considered for admission. CASPer results are valid for one year. Applicants who completed the assessment in previous years must retake it for the current application cycle.

Application Processing Fees

1. A processing fee ([http://nursing.ubc.ca/undergraduate-program/admissions](http://nursing.ubc.ca/undergraduate-program/admissions)) must accompany the supplemental application package. This fee is non-refundable and is paid as part of the supplemental online application. No applications will be processed unless the fee is received.

2. There is an additional PLAR review fee ([http://nursing.ubc.ca/undergraduate-program/admissions](http://nursing.ubc.ca/undergraduate-program/admissions)), payable to the UBC School of Nursing, for any human anatomy/physiology course equivalence review (if required).

Please note: Both the application processing fee and the review fee (if required) must accompany the application.

Selection Process

The Bachelor of Science in Nursing program has a limited enrolment. Since the number of qualified applicants usually exceeds the number of places available, fulfillment of the minimum requirements is not a guarantee of admission (see the School ([http://www.nursing.ubc.ca/Undergrad/FAQ.aspx](http://www.nursing.ubc.ca/Undergrad/FAQ.aspx)) for a profile of accepted students). The School reserves the right of selection of all students for admission and readmission to the School. Canadian residents (citizens and Permanent Residents) will be given preference in the final selection process.

The School will select for admission those applicants who not only demonstrate academic potential, but who also most aptly display a motivation to study nursing and who demonstrate that they possess the qualities and skills most necessary to be a caring and competent professional nurse. In addition, the School will select those applicants who demonstrate the best potential for academic success, leadership, and ability to advance the nursing profession.

Academic documents are assessed by Enrolment Services and the supplemental application documents are assessed by the UBC School of Nursing Admissions Team. Human anatomy/physiology course equivalency is assessed by the School’s PLAR Committee. Applicants must request CASPer scores be released directly to the UBC School of Nursing.

The admission decisions will be based on academic standing, supplemental application score and CASPer results.

Applicants who are accepted will be sent a letter of acceptance and details about the registration procedures.

Readmission

The School reserves the right to readmit students and to stipulate conditions attached to readmission. Application for readmission to the School will be reviewed on an individual basis.
Bachelor of Science in Nursing > Academic Regulations

Costs Other Than Sessional Fee

There are additional expenses for uniforms, travel, and clinical practice. Students should be prepared to have clinical practice outside the Vancouver area and therefore should include travel costs for this experience in estimating total expenses. Students must have access to a car for transportation to minimize time and effort expended in travel to the varied areas used for clinical experiences. It is the student's responsibility to arrange transportation to clinical practice settings and to arrive at scheduled times. Please see Undergraduate FAQs (http://www.nursing.ubc.ca/Undergrad/FAQ.aspx) for information on these additional costs.

Time Period for Program Completion

Students entering the B.S.N. program must normally meet all requirements within a maximum of five years from initial enrolment. Students interrupting their program are advised that curriculum changes may necessitate a period of supplementary work to enable them to fit into the subsequent courses.

Where time normally permitted for completion of degree has elapsed, candidates will be required to provide evidence to justify special consideration.

Bachelor of Science in Nursing > Degree Requirements

English Requirements

To qualify for the B.S.N., all students must have a minimum of 3 credits in English. Exceptionally, this English prerequisite may be waived for students who have completed a bachelor's degree from an accredited university (where English was the main language of instruction during that degree).

## Advancement

The minimum passing grade for nursing theory courses is 60%. The minimum cumulative grade average to continue in the program is 65%.

Clinical nursing and laboratory courses are marked on a Pass/Fail basis. A clinical course must be passed in order to progress to a subsequent clinical course. A failure in a laboratory course may require withdrawal from a clinical course.

Supplemental examinations are not offered.

Students who do not achieve the minimum grade average for promotion or who fail a clinical course will normally be required to discontinue study in the School for at least one year.

Although satisfactory academic performance is a prerequisite to advancement, it is not the sole criterion in the consideration of the suitability of a student for promotion or graduation. The School reserves the right to require a student to withdraw from the School if considered to be unsuited to proceed with the study or practice of nursing.

## Interprofessional Education

In order to graduate and to meet the British Columbia College of Nurses and Midwives (BCCNM) requirements for Interprofessional
Practice competencies, and as required by B.S.N. program approval from the regulatory body, students must complete the interprofessional education requirements of the program: students are required to participate in a minimum series of learning activities determined by the School of Nursing and tracked through the UBC Interprofessional (IPE) Passport system.

British Columbia College of Nurses and Midwives

Students who successfully complete the B.S.N. program, and who are recommended by the Director of the School to the British Columbia College of Nurses and Midwives (http://www.bccnp.ca), will be eligible to write the nurse registration examination and to apply for nurse registration in BC on passing the examination.

Information relative to other requirements for registration may be obtained from the British Columbia College of Nurses and Midwives (http://www.bccnp.ca), 900 – 200 Granville St, Vancouver, BC, V6C 1S4. Applicants who have reason to believe they may not be eligible for registration should consult the professional association before beginning studies.

Awards and Financial Assistance

Awards, Fees and Finances (http://www.students.ubc.ca/enrolment/finances) publishes information on awards and financial assistance. See the site for a list of current academic awards (scholarships and prizes) and financial assistance (grants, bursaries, and loans). Students are encouraged to refer to the website to determine awards for which they may be eligible and for interpretation of "full-time" study as it relates to eligibility for scholarships and other forms of financial assistance.

For more information on specific awards and competitions available for students at the School of Nursing please visit:

- FAQ: Awards & Scholarships Available to Graduate Students (http://nursing.ubc.ca/questions/faq/awards-scholarships-available-graduate-students)
- FAQ: Awards & Scholarships Available to BSN Students (http://nursing.ubc.ca/questions/faq/awards-scholarships-bsn-students)

The following awards are not administered by Awards, Fees and Finances:

- Registered Nurses Foundation (http://mbc.ca/bursaries) A number of bursaries are offered through the Foundation. Information is available from the Registered Nurses Foundation of BC, 2855 Arbutus Street, Vancouver, BC, V6J 3Y8. Additional instructions for students at the School of Nursing is available here: FAQ: RNF Bursary Instructions (http://nursing.ubc.ca/questions/faq/rnfbc-bursary-application-instruction).

- Victorian Order of Nurses for Canada (http://www.von.ca) Bursaries available to students in the final year of the B.S.N. program. Information and application forms may be obtained from the National Director, Victorian Order of Nurses for Canada, 5 Blackburn Avenue, Ottawa, Ontario, K1N 8A2.

- Heart and Stroke Foundation of Canada (http://www.heartandstroke.ca) Nursing research fellowship for graduate students undertaking study in some area of cardiovascular or stroke research. Information available from the Heart and Stroke Foundation of Canada, 1402-222 Queen St., Ottawa, Ontario, K1P 5V9.

- Local BCCNM Districts. Many Districts and other local organizations offer bursaries and/or loans to students from their area. Information can be obtained from the Director of the School or the British Columbia College of Nursing and Midwifery (http://www.bccnm.ca/Pages/Default.aspx).

- Canadian Nurses Foundation Awards. Members of the Canadian Nurses Association may apply for awards and fellowships valued at $4,500.00 to $6,000.00 for study at the doctoral level, $3,000.00 for study at the master's level, and $1,500.00 for study at the baccalaureate level in nursing. Application forms may be obtained from CNF website (http://cnf-scholarships.smapply.ca) directly. Information and/or application forms are available from the Canadian Nurses Foundation.
Foundation, 50 The Driveway, Ottawa, Ontario, K2P 1E2. Additional instructions specifically relevant to students at the School of Nursing is available at here: FAQ: Verification Letter for Student Awards (http://nursing.ubc.ca/questions/faq/verification-letter-student-award).

If you have additional questions about awards & scholarships, please contact awards@nursing.ubc.ca or visit the Student Services Office at T248, 2211 Wesbrook Mall, Vancouver BC (UBC Hospital, Koerner Pavilion 3rd Floor).

**Alumni Associations**

Many nursing school's alumni associations offer bursaries and/or loans to their members. Information about these would be obtainable from the director of the school from which you have graduated.

**Academic Staff**

**Academic Staff > School Staff**

**Honorary Professors**

- M. Dion-Stout, B.N. (Leth.), M.A. (Car.), LL.D. (Br.Col.) Nursing Consultant
- G. Zilm, B.S.N. (Br.Col.), B.J. (Car.), M.A. (S.Fraser), freelance writer, editor, and nursing historian; former R.N.

**Proфессors**

- G. Boschma, B.S.N. (H.B.O.-V; NL), M.A. (Groningen, NL), M.S.N., Ph.D. (Penn.), R.N.
- A. Browne, B.N. (Manit.), M.S.N. (Rhode Isl.), Ph.D. (Br.Col.), R.N., FCAHS
- V. Bungay, B.S.N. (St FX), M.N. (Dal.), Ph.D. (Br.Col.), R.N.
- J. Oliffe, M.Ed. (Vic. (Melb.)), Ph.D. (Deakin), R.N.
- E. M. Saewyc, B.S.N. (Minn.), M.S.N. (Wash.), Ph.D. (Wash.), R.N., FSAHM, FCAHS, FAAN, FCAN
- S. E. Thorne, B.S.N. (Br. Col.), M.S.N. (Br.Col.), Ph.D (Union), R.N.
- C. Varcoe, B.S.N., M.Ed, M.S.N., Ph.D. (Br.Col.), R.N.
- S. Wong, B.S.N. (Br.Col.), M.Sc., Ph.D. (Calif., S. Fran), R.N.

**Associate Professors**

- S. H. Campbell, B.S.N., M.S.N. (Conn.), Ph.D. (Rhode Isl.), R.N., IBCLC, Post Masters (Boston College), CCSNE, APRN
- L. M. Currie, B.S.N. (St Mary's (Can)), M.S.N. (Calif., S.Fran.), Ph.D.(Col.), R.N.
- V. S. Dahinten, B.A (S. Fraser), M.B.A (Br.Col.), M.S.N. (Gonzaga), Ph.D. (Br.Col.), R.N.
- E. K. Jenkins, B.S.N. (Br.Col.), M.P.H. (S. Fraser), Ph.D. (Br.Col.), CPMHN(C), R.N.
- M. Moss, B.S. (Wash.), JD (Ham.), M.N. (Phoenix), Ph.D. (Tex.), R.N., FAAN

**Assistant Professors**

- K. Hasse, B.N. (Leth.), M.A. (St Mary's (Can.)), Ph.D. (Ott.), R.N.
- F. Havaei, B.S.N. (Br.Col.), Ph.D. (Br.Col.)
L. Hung, B.N. (Manit.), M.A. Gerontology, (S. Fraser), Ph.D. (Br.Col.), R.N.
E. Ojukwu, B.S.N. (S.C. State), Ph.D. (Miami), R.N.
M. Ranger, B.Sc. (Montr.), M.Sc. (Montr.), Ph.D. (McG.), R.N.

Professor of Teaching
E. Tan, B.S.N. (Vic. (B.C.)), M.S.N. (Br.Col.), R.N.

Associate Professor of Teaching
C. Jackson, B.S.N. (Br.Col.), M.S.N. (Br.Col.), R.N.

Assistant Professor of Teaching
E. Bailey, M.S. (Boston Col.), D.N.P. (N'eastern), R.N., PMHN.P.-BC (ANCC, USA)
R. Dhari, B.N. (Manit.), M.S.N. (Br.Col.), R.N.
F. P. McCuaig, B.Sc. (S. Fraser), M.S.N. (Gonzaga), R.N., D.N.P., N.P. (F)
C. Segaric, B.Sc.N. (Windsor), M.Ed. (S. Fraser), Ph.D. (Br.Col.), R.N.

Lecturers
F. Affleck, B.S.N. (Vic. (B.C.)), M.N. (Athab.), CCNE (C), R.N.
M. Burrows, B.S.N. (Br.Col.IT), M.N.-N.P. (F) (Br.Col.)
S. Foster, B.S.N. (Br.Col.), M.S.N. (Br.Col.), R.N.
J. Harding, B.S.N. (Br.Col.), M.N.-N.P. (F) (Br.Col.), N.P. (F)
J. Mahy, B.S.N. (Br.Col.), M.S.N. (Br.Col.), R.N.
D. Mann, B.S.N. (Br.Col.), M.S.N. (Br.Col.), R.N.
R. Radu, B.Sc.N. (Douglas Coll.), M.S.N. (Br.Col.), R.N.
J. Tipping, B.S.N. (Vic. (B.C.)), M.Ed. (Yorkville), R.N.
C. Waddington, B.Sc.N. (Br.Col.), M.S.N. (Br.Col.), R.N.

Clinical Associate Professors
S. Lauck, B.A. (Br.Col.), M.S.N. (Br.Col.), Ph.D. (Br.Col.), R.N., Clinical Assistant Professor, St. Paul’s Hospital and Heart & Stroke Professorship in Cardiovascular Nursing at UBC, Clinician Scientist, St. Paul’s Hospital
M. Mackay, B.S.N. (Br.Col.), M.S.N. (Br.Col.), Ph.D. (Br.Col.), R.N., CCN (C), Clinical Nurse Specialist, Heart Centre, St. Paul’s Hospital, Vancouver
T. Taverner, M.Sc. (Leic. University), Ph.D. (Leeds), R.N., Senior Director at Children’s hospital BC, for the oncology/hematology, medicine/surgery, and bone marrow transplant programs.

Clinical Assistant Professors
L. Lambert, B.S.N. (Br.Col.IT), Ph.D. (Br.Col.)
M. Thumath, B.S.N. (Br.Col.), MScPH (London), DLSHTM (Lond.S.H.T.M.), R.N., Clinician Scientist, Centre for Gender and Sexual Health Equity, Br.Col.

Clinical Associates
A. Askarzadeh, B.Sc.N. (Br.Col.IT), R.N.
T. Dunat, B.S.N. (Vic. (B.C.)), M.N.-N.P. (F) (Vic. (B.C.)), N.P. (F)
W. Konn, B.Sc.N. (Vic. (B.C.)), MHLPI (Br.Col.), R.N.
J. Mislang, B.S.N. (Br.Col.), M.S.N. (Br.Col.), R.N.

Adjunct Professors
S. Archer, B.S.N. (Vic. (B.C.)), M.N.-N.P. (Br.Col.), Nurse Practitioner, Burnaby Centre for Mental Health & Addiction, PHSA
The School of Nursing

I. Goldstone, B.N. (McG.), M.Sc. (Br.Col.), R.N., Training School for Nurses, Royal Victoria Hospital, Montreal, Retired

L. Gurney, B.S.N. (Br.Col.IT), M.S.N. (Br.Col.), R.N., Head Nurse Educator, Emergency, Vancouver General Hospital

D. Hamilton, B.S.N. (Ott.), M.N. (Australia), IBCLC, PNC(C), CNCCP(C), CNeoN(c), Senior Practice Leader, BC W

L. Housden, B.Sc.N. (T.Rivers), M.N.-N.P. (F) (Br.Col.), Ph.D. (Br.Col.), Director of Nurse Practitioners, Fraser Health Authority

E. Iacoe, B.N. (Calg.), M.S.N. (Br.Col.), R.N., Leader, Program Development, Scotiabank Youth Transition Program, Providence Health Care

N. Ivanov, B.Sc. (Br.Col.), B.Sc.N. (Br.Col.IT), MP-N.P. (Br.Col.), N.P. (F), Nurse Practitioner, BC Cancer

C. Johnson, B.Sc.N. (Qu.), M.P.H. (S. Fraser), CCRP (SOCRA), R.N., Co-Interim Executive Director, British Columbia Centre on Substance Use

A. Kaan, M.C.N. (Aust.Cath.), Certified Cardiovascular Nurse, R.N., CCN(C), CTNC, Clinical Nurse Specialist, St. Paul’s Hospital

L. Kalmar, B.Sc.N. (Tor.), M.N. (Tor.), DHA (Central Mich.), CHE, R.N., Chief Executive Officer, Louis Brier Home and Hospital

D. Keselman, B.Sc.N. (Tor.), M.N. (Tor.), DHA (Central Mich.), CHE, R.N., Chief Executive Officer, Louis Brier Home and Hospital

M. Kolar, B.Sc. (Douglas Coll.), M.S.N. (Br.Col.), R.N., Clinical Nurse Specialist, St. Paul's Hospital, Providence Health Care

A. Krystal, B.S.N. (Br.Col.), MHA (Br.Col.), R.N., Southlake Regional Health, Newmarket Ontario

B. Langlois, B.Sc.N. (Br.Col.), M.S.N. (Br.Col.), Interprofessional Practice Director, Provincial Health Services Authority

B. Lawrie, B.S.N. (Vic. (B.C.)), M.S.N. (Br.Col.), R.N., Vice President, Professional Practice and Chief Clinical Information Officer, Vancouver Coastal Health

L. Lazzarotto, B.S.N. (Br.Col.), M.N. (Br.Col.), R.N., P., Vancouver General Hospital, St. Joseph’s Hospital

T. Le, B.S. (Pedagogy), B.Sc.N. (Br.Col.IT), M.N. (Vic. (B.C.)), N.P.(F), CCN(C), Nurse Practitioner, St. Paul’s Hospital

A. LeBlanc, B.S.N. (Dal.), M.Sc.N. (Ott.), R.N., CNCC(C), Clinical Nurse Specialist, Intensive Care & High Acuity, Vancouver General Hospital

K. LeComte, B.Sc.N. (Br.Col.), M.S.N. (Br.Col.), R.N., Clinical Nurse Specialist, St. Paul’s Hospital

L. Lee, B.N. (Manit.), M.S.N. (Tex.), M.P.H. (Wash.), R.N., Retired

J. Lehoux, B.S.N. (Windsor), M.N. (Athab.), N.P. (F), Nurse Practitioner, St. Paul's Hospital

V. MacDonald, B.S.N. (Br.Col.), M.S.N. (Br.Col.), R.N., CNS, Health Care Consultant VMD Consulting

E. Magnus, B.S.N. (Fraser V.), M.N.-N.P. (Vic. (B.C.)), N.P. (F), Nurse Practitioner, Cardiac Surgery, Providence Health Care

P. Mahon, B.S.N. (T.Rivers), MHSc (CCHS), Doctorate Health (Bath), R.N., Clinical Research Scientist, Department of Hearn/Onc/BMT, BC Children's Hospital

H. Mak, B.S.N. (Br.Col.), M.S.N. (Br.Col.), R.N., GNC (C), Clinical Nurse Specialist, Providence Health Care

S. Marchuk, B.S.N. (Vic. (B.C.)), M.N.-N.P. (Vic. (B.C.)), D.N.P. (Oregon H&S), N.P.(F), CNeph(c), FAAN.P., Nurse Practitioner, Department Head, Providence Health Care

L. Mathur, B.A. (Boston Coll.), B.S.N. (Boston Coll.), M.N. (Vic. (B.C.)), N.P.(F), Nurse Practitioner, Cardiac Surgery, St. Paul’s Hospital

K. McDonald, B.Sc.N. (Kwantlen), M.N. (Br.Col.), R.N., Clinical Nurse Specialist, Fraser Health

S. McRae, B.S.N. (Vic. (B.C.)), M.N.-AC N.P. (Acute Care Nurse Practitioner) (Tor.), R.N., Pediatric nurse practitioner, N.P. Child & Youth Primary Care Clinic, BC Children’s Hospital

L. Michalson, B.A. (Wash.), B.S.N. (Seattle U.), M.S.N. (Br.Col.), RNC, Community Health Nurse, Sheway, Vancouver Coastal Health
