Notice Regarding Fees

Fees, including tuition, program, course, special, and student society fees, are approved by the Board of Governors following consultation with students and are subject to change. Students are advised to consult this section of the Academic Calendar regularly for updated information.

Fees include any amounts assessed to a student by UBC, or by UBC on behalf of UBC Okanagan Students' Union (UBCSUO), or other student societies and organizations. Fees include, but are not limited to, tuition fees, program fees, special fees, and student society fees.

Notwithstanding the information included in the UBC Okanagan Academic Calendar, UBC reserves the right to change fees at any time without notice. Students who have not completed their course requirements when a change in fees is made may be required to pay the new fees.

Tuition fees for all students include allocations to the Teaching and Learning Enhancement Fund (http://tlef.ubc.ca/) and to student financial support.

Upon registering, a student has initiated a contract with UBC for payment of all assessed fees. A student may terminate this contract only by withdrawing from UBC. See Deposits and Change of Registration (Calendar page: http://appleton.ad.students.ubc.ca/okanagan/index.cfm?tree=3.51.871.1005#11096). While UBC makes every effort to avoid errors in fee assessment, should an error occur it will be corrected and every effort will be made to attempt to notify affected students. However, lack of notification does not exempt a student from paying the appropriate fee.

Fees listed are in Canadian dollars, unless otherwise indicated.

Payments and Due Dates

Fee payment in Winter Session may be in two instalments. In general, the first instalment covers tuition for Term 1 courses and the first half of two-term courses, plus most student fees. The second instalment covers tuition for Term 2 courses and the second half of two-term courses. Students enrolled in a study program restricted to Term 1 or Term 2 must pay the full amount assessed by the due date for that term.

</tbody>
</table>
The due date for any increase in a balance resulting from late assessment or late registration during a term will be the 7th of the next month. When the due date falls on a Saturday, Sunday, or statutory holiday, payment may be made on the next business day.

All students must pay their current fee installment in full by the due date. Deferred fees are due on the deferment date.

**Deposits**

**Domestic Undergraduate Students**
- New domestic undergraduate students must pay a non-refundable acceptance deposit of $500.00.
- Continuing domestic undergraduate students must pay a non-refundable registration deposit of $100.00.\(^1\),\(^2\)
- Deposits will be credited toward assessed tuition fees.\(^2\)

**International Undergraduate Students**
- New international undergraduate students are required to pay a non-refundable deposit of $1,000.00. $500.00 is refundable if the student does not register in or withdraws from all Summer Session courses by March 31 or from all Winter Session courses by July 31. No portion of the deposit is refundable after these dates.\(^3\)
- Continuing international undergraduate students must pay a non-refundable registration deposit of $100.\(^1\),\(^2\)
- Deposits will be credited toward assessed tuition fees.\(^2\)

**Graduate and Senior Citizens**
- Most graduate students and senior citizens do not pay a deposit.

Note: some programs require an additional portion of the tuition fee to confirm acceptance of an offer of admission. (Students are notified if this is the case).

---

\(^1\)Students who have no registration activity may have their deposit refunded. Contact Student Services (http://students.ubc.ca/enrolment-services.html) by phone at 250.807.9100 or email sis.ubco@ubc.ca to request a refund.

\(^2\)The deposit becomes non-refundable immediately upon registration in any course, and cannot be transferred to another session, nor can it be applied to non-refundable student fees (i.e., U-Pass, Medical Insurance).

\(^3\)Students who have met the above requirement can contact International Student Recruitment (okanagan.international@ubc.ca) to request a refund.

---

**Late Payment of Fees**

Fees, fines, or other indebtedness to the University (including tuition and student fees, parking fines, library fines, housing and conferences fees) must be paid in full by the Payment Due Dates. Otherwise, students may be placed on Financial Hold and charged an Interest Penalty, in accordance with UBC Policy 67: Late Payment of Fees and Accounts (http://www.universitycounsel.ubc.ca/policies/policy67.pdf).

If the overdue amount is not paid in full by the first day of the next session, no future session registration will be allowed. Students will remain liable for the outstanding balance, plus all interest assessed up to the date on which the outstanding balance is paid in full.

Subsequent registration for graduate students will be allowed only with the written approval of the Dean, College of Graduate Studies. Retroactive fees and interest will be assessed prior to registration and must be paid at that time.

**Financial Hold**

A student may be placed on financial hold as a result of outstanding indebtedness to the University, including tuition and student fees, parking and library fines, and housing and conferences fees. Please note the following:
- A processing fee of $35 will be applied (in addition to the Interest Penalty).
- No subsequent registration activity will be allowed.
- No transcripts or diploma will be issued.
- UBC Housing and Conferences may refuse admission to residences, may withdraw residence and dining privileges, and may require a resident to vacate the premises.

The financial hold will be removed when the outstanding balance, including all penalties, is paid in full.

**Interest Penalty**

Interest will be charged at a rate of prime plus 6% per annum. Interest is charged on all outstanding amounts that are past due and is calculated toward the end of each month. Anything else in this section notwithstanding, any amounts charged as penalties for the late payment of fees and accounts (including the Interest Penalty and the processing fee) will not exceed 60% per annum.

**Tax Receipts (T2202A, T4A, and Transit Tax Credit)**

Students can access their tax receipts (T2202A, T4A, and Transit Tax Credit) at the Student Service Centre (http://students.ubc.ca/ssc).
The following fees qualify for tuition tax credit and will be included on the T2202A:

- Athletics and Recreation Fee
- Medical/Dental Fee
- English Foundation Program Fee

For more information on income tax, visit Canada Revenue Agency (http://www.cra-arc.gc.ca).

**Registration in More Than One Program**

For students registered in more than one graduate degree program, fees are assessed for both programs until minimum assessment is reached for the first program. Fees for the second program will continue to be assessed until degree completion.

For students registered in one graduate degree program and one undergraduate program, fees are assessed for both programs until minimum assessment is reached for the graduate program. Undergraduate fees will continue to be assessed.

Students registered in one graduate degree program and as an "unclassified student" will be assessed fees for both programs.

Students in Senate-approved combined degree programs for which a program fee has not been established will be assessed fees for each separate program.

Note: Student fees that are common to more than one of the programs will only be assessed once.

**Exchange Students**

**Undergraduate Formal Exchange Program**

Students visiting UBC on approved exchange programs under a formal agreement between their home university and UBC will pay fees to their home university. These fees cover credit courses taken during the Winter Session. Students will be assessed the following student fees:

<table>
<thead>
<tr>
<th>Fee</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>U-Pass</td>
<td>$63 per term</td>
</tr>
<tr>
<td>iMED</td>
<td>$180 per academic year, $252 per term, or $60 per month</td>
</tr>
</tbody>
</table>

Two-term exchange students will be assessed $180, and one-term exchange students will be assessed $252. Visiting international research students will be assessed a monthly rate of $60 up to 6 months (a fraction of a month will be considered a full month).

UBC undergraduate students who are studying elsewhere on an approved exchange program covered by a formal agreement between the two universities (student mobility agreement) must register for the appropriate non-credit exchange activity and pay UBC tuition fees for 15 credits per term, plus student fees for the Winter Session. Students on an approved exchange will not be assessed the U-Pass.

All other UBC students on such exchange programs pay to UBC the normal tuition fees for their program for each term they are away, in addition to student fees.

**Senior Citizens**

BC residents who are Canadian citizens or permanent residents aged 65 years or over during the session in which they are registered are not assessed application, tuition, or student fees. The Distance Education administrative fee and some special fees may be assessed.

Fees will be assessed to senior citizens for programs in areas such as Nursing or any faculty or school where existing facilities and resources are limited.

**Studying Off Campus or Distance Education**

Students not studying on UBC campuses or students registered in all Distance Education courses will not be assessed any student fees.

**Domestic or International tuition and fees assessment**

For the purpose of tuition and fees, the classification between domestic and international students is based on citizenship/permanent residency.

**Domestic student**

You will be assessed domestic tuition and fees if you meet any of the following criteria:
You are a Canadian citizen
You are a permanent resident of Canada
You have refugee status in Canada
Your parent or guardian is a diplomat assigned to Canada

International student

You will be assessed international tuition and fees if you do not meet the criteria for domestic tuition and fees. Except for in a current term as provided for under “International Student to Permanent Resident Status” UBC will not retroactively change fees assessed from International to Domestic. It is incumbent upon those persons eligible for domestic tuition fees to inform UBC of their eligibility upon application, or should their status change during their studies, prior to tuition fee assessment for any subsequent terms. UBC may require supporting documentation to assess domestic tuition rates.

If you hold multiple citizenships and one of these is Canadian, you will be assessed as a domestic student.

1If you receive permanent residency in Canada before or on the date that your tuition is due you will be assessed domestic student tuition and fees.

International Students to Permanent Resident Status

If an international student becomes a permanent resident of Canada on or before the tuition fee Payment Due Dates of the term, domestic tuition fees will be assessed for that term.

If an international student becomes a permanent resident of Canada after the tuition fee Payment Due Dates for a current term, international tuition fees will be assessed for that current term and domestic fees will be assessed for subsequent terms.

Note: permanent resident status is attained as of the “Landed on” date, indicated on the Record of Landing, not the “Date Issued.”

For students who have been given a fee deferment, the tuition fee Payment Due Dates still pertain as the deadline to become a permanent resident.

1. Tuition fees for Unclassified, Access Studies, and Auditing students are assessed on a per credit basis, taking into consideration the year level of the course. All student fees will be assessed as noted in Student Fees.
2. Visiting undergraduate students are assessed fees at the prevailing per-credit rate, plus authorized student fees. Domestic visiting research undergraduate students may register for the non-credit activity ‘Visiting Undergraduate Student’ (VURS499). The fee for each registration in this activity, which covers either Term 1 of Winter Session or Term 2 of Winter Session or Summer Session, is equal to the tuition fee for one credit of course work plus authorized student fees. Visiting graduate students who wish to take credit courses must register for those courses and will be assessed tuition fees at the prevailing graduate per-credit rate, plus authorized student fees. Domestic visiting research graduate students may register for the non-credit activity ‘Visiting Graduate Student’ (VGRD 600 for master's students or VGRD 900 for doctoral students). The fee for each registration in this activity, which covers Winter Session Term 1 and/or Term 2, or Summer Session, is equal to the tuition fee for one credit of course work plus authorized student fees. For Visiting International Research Student (VIRO) fees, see Go Global fees.
3. Fees paid as a Qualifying student will not subsequently be credited in a graduate degree program.

**Master's Degree Programs**

Every student enrolled in a master's program is required to maintain continuous registration by paying tuition instalments according to Schedule A or B for standard programs and according to the fees listed for each Specialized Master’s Degree Program, plus authorized student fees. Failure to pay fees will result in a financial hold and an interest penalty.

Students who have paid more than the minimum instalments for the degree will have their tuition fees prorated to the end of the month in which the College of Graduate Studies confirms that all degree requirements have been completed. This includes the submission of either their major paper or final project to their department or their thesis to the College of Graduate Studies' Office.

**Specialized Master's Degree Programs**
The fees below apply to individual master's programs. The specialized master's program fees are different from the standard master's program fees listed in Schedules A and B.

### Standard Master’s Degree Programs

All graduate students in standard master’s degree programs are automatically assessed fees according to Schedule A. Students who are planning on taking a master’s degree through part-time study (Schedule B) must obtain approval from their Graduate Program Advisor and the College of Graduate Studies prior to the beginning of the term in which fees are first assessed. To do so, please complete the Application for Part-time Payment ([http://gradstudies.ok.ubc.ca/__shared/assets/tuition-b41052.pdf](http://gradstudies.ok.ubc.ca/__shared/assets/tuition-b41052.pdf)) This application is also available from the College of Graduate Studies.

Only students planning to take their degree through part-time study are permitted to select Schedule B for standard programs. Students who select Schedule B are advised that, by virtue of their part-time status, they are ineligible to receive government loans, interest-free status, and University fellowships or scholarships. Students are not permitted to switch from Schedule B to Schedule A after the due date of the first instalment.
Tuition Fees > Graduate > Doctoral

Every student enrolled in a doctoral program is required to maintain continuous registration by paying tuition instalments, plus authorized student fees according to the appropriate tuition fee schedule.

All students are "full-time" for the assessment of tuition and authorized student fees. Authorized student fees apply to all doctoral programs regardless of credit load or place of residence.

Students who have paid more than the minimum for the degree (the first six (6) instalments) will have their tuition fees prorated to the end of the month in which the College of Graduate Studies confirms that all degree requirements have been completed. This includes the submission of their dissertation to the College of Graduate Studies. Student fees are not prorated.

1 All master's programs (both standard and specialized) have a fee assessed for each term in which On-leave status is taken.
2 If a degree program is not completed by a set number of instalments or a minimum program fee, the assessments will then switch to a Continuing fee. The Schedule A Continuing fee is assessed after instalment 6. The Schedule B Continuing fee is assessed after instalment 9.
3 If a master's degree (both standard and specialized) is not awarded within a period of five years from the initial registration, a student may be granted an extension with permission from the College of Graduate Studies, but will be charged additional fees.

### Student and Student Society Fees

**Student and Student Society Fees > Student Fees**

Student fees include fees authorized by student referendum, the UBC Board of Governors, and other student societies and organizations. Student fees are due annually, and charged to all students. Fees are calculated according to full- or part-time status, session, and study level.

1 Where examinations are permitted at a location not normally set up for UBC examinations, a Special Invigilation and Outside Examination Centre Fee is payable with the examination application.

2 Fees have been authorized for extramural borrowing. Information concerning these fees may be obtained from the UBC Okanagan Campus Library (http://library.ok.ubc.ca/).

### Transcript Fees

Official transcripts can be ordered from the Student Service Centre (http://students.ok.ubc.ca/enrolment-services/transcripts.html). Please click on the Student Service Centre link for payment details.

### Medical Insurance

Students from outside British Columbia are responsible for ensuring that they have basic medical insurance as a condition of their acceptance to UBC.

Anyone residing in BC for longer than six months is required by law to enrol in BC Medical Services Plan (MSP) and pay premiums directly to the plan. However, there is a waiting period of three months before any newcomer to BC is eligible to enrol in MSP. For more information and to download an application, visit BC MSP (http://www2.gov.bc.ca/gov/content/health/health-drug-coverage/msp).

International students, refer to iMED.
Extended Health and Dental Plan

All students at the UBC Okanagan campus are also members of the University of British Columbia Students' Union Okanagan (UBCSUO) and are covered by the UBCSUO Extended Health and Dental Plan. The extended health and dental plan provides coverage for expenses not covered by MSP such as prescription drugs, travel health insurance, paramedical services, and dental care.

Dental Plan: $71.21 per term
Extended Health Plan: $61.23 per term

Approved rates for 2016/17. Rates for 2017/18 will be published in the early June release of the Calendar.

Opting Out

Students can opt out or enrol their family during Change of Coverage periods only. The opt out and enrolment deadlines are as follows:

- For students starting in September: September 5 - 26, 2017*
- For students starting in January: January 3 – 24, 2018*

*Dates are subject to change.

Opt outs and enrolments can only be processed during the Change of Coverage period or within 30 days of their registration period, whichever is later. For information on enrolling or opting out, go to I Have a Plan UBC (http://ihaveaplan.ca/rte/en/IHaveAPlan_UBCOkanaganUniversityofBritishColumbiaStudentsUnionOkanaganUBCSUO_ChangeofCoverage_ChangeofCoveragePeriod).

iMED (for International Students)

There are two basic insurance plans (iMED and MSP) and one extended plan (UBCSUO Health and Dental) for international students at UBC. Descriptions of all three plans are provided below.

UBC provides a mandatory basic health insurance program (iMED) for all new international students as a condition of registering as a student (Canadian citizens and permanent residents of Canada are excluded). iMED covers emergency hospitalization and medical services (including doctor's visits) for sickness or injury.

All new international students who pay international tuition fees, as well as international exchange students, are automatically assessed the following fees:

- iMED: $180.00
- iMED for one-term exchange students: $252.00
- iMED for visiting international research students (per month): $60.00

Coverage period: New international students are automatically covered for the three-month waiting period before they become eligible for BC's Medical Services Plan (MSP), with the exception of one-term exchange students, who are covered by iMED for the duration of their exchange because they are not eligible for MSP.

For one-term international exchange students, iMED covers:

- Term 1: August 30, 2017 to January 2, 2018 (plus up to ten days of travel from the home country to Canada).
- Term 2: December 27, 2017 to May 1, 2018 (plus up to ten days of travel from the home country to Canada).

These dates are subject to change.

The $252 fee will be assessed before the start of classes and will be listed online as a student fee.

One-term exchange students cannot change their dates; they can purchase additional days of coverage directly from David Cummings Insurance Services (DCIS) if they arrive in BC before, or leave after, the dates indicated above. For more information, visit DCIS (http://www.david-cummings.com/imed).

For visiting international research students: A monthly rate (up to 6 months) is available for international students conducting research full-time at the University under the supervision of a UBC faculty member. The student can be either enrolled in an undergraduate, graduate, or graduate-equivalent program at another university or can be a
participant in a UBC-recognized “bridging” program through Go Global. A fraction of a month will be considered a full month.

**For all other international students:** iMED covers the three-month waiting period before eligibility for MSP, from the time a student leaves home (up to ten days prior to arrival, provided the arrival date is within the iMED coverage dates) until the student's MSP eligibility date. iMED coverage will begin upon arrival in Canada, with the earliest arrival date being August 1 (Term 1), December 1 (Term 2), April 1 (Summer Term 1), or June 1 (Summer Term 2). The $180 fee for the three-month period will be assessed when a student registers and will be listed online as a student fee.

For students arriving in BC in the month(s) before their iMED coverage is due to start, please contact DCIS (http://www.david-cummings.com/imed) to purchase advance coverage; such students may then be eligible to opt out of the iMED plan.

Students arriving in BC in the month after the dates indicated above must submit the Date Change Request Form (http://www.david-cummings.com/imed/documents/DCISChangeDatesForm.pdf), with proof of arrival date in BC (a copy of study permit), to DCIS (http://www.david-cummings.com/imed). Dates of coverage can then be shifted to cover the three-month waiting period for BC MSP. The deadline for submitting the Date Change Request Form is the end of the Add/Drop date.

**Fee-freezing:** Any iMED fee assessed to a student's account will be "frozen" on the last day to withdraw from classes without a "W" standing. If a student withdraws from classes after the fee-freeze date and was not in Canada at any time during the coverage period, they may contact International House at 604.822.5021 or email International Advisors to request the removal of the iMED fee from their UBC student account. Those who fail to do so will be required to pay the iMED fee. The request for removing the iMED fee must be received by the Add/Drop date.

**Adding family members:** Students may add dependents to their iMED plan. For more information and application forms, visit DCIS (http://www.david-cummings.com/imed).

**Opting out:** Students who are already covered by MSP, by another Canadian provincial health plan, or by mandatory health insurance purchased for them by a third-party sponsor with whom UBC has an agreement, must opt out of iMED by the Add/Drop date. Please note that having private insurance does not make a student eligible to opt out of iMED. For opt out instructions and forms, visit DCIS (http://www.david-cummings.com/imed).
